

Putting a Face on Poverty: Stories of Strength & Resilience

Speaker Series Event sponsored by the Burlington Inclusivity Advisory Committee in partnership with Halton Poverty Roundtable

The Perspective of Lived Experience

By a Panel of Burlington Residents

Barb Chilwell – Member, Halton Poverty Roundtable

Zilay Khan – Member, Halton Poverty Roundtable

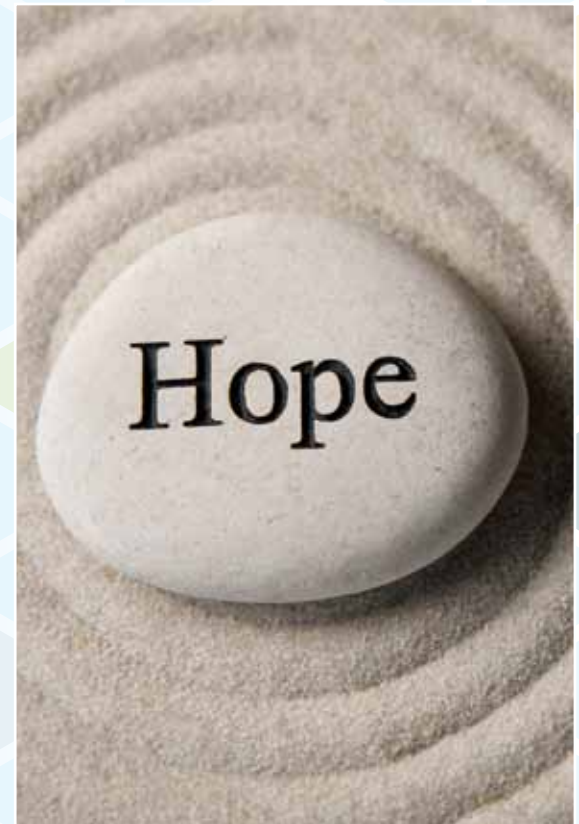

Cathy Stokes – Member, Halton Poverty Roundtable

Description of Event:

Poverty is about impossible choices – buy food or heat the house, feed the children or pay the rent. The result can be spiraling debt, constant anxiety and long-term health problems. Come and learn from a panel of fellow community members who have lived experience of poverty in Burlington. You'll hear their stories and have an opportunity to better understand their journeys during a question and answer period.
